

## Junior Researcher | Full-Time | Vacancy: 2

**Location: New Delhi, India**

**SaveLIFE Foundation (SLF)** is an independent non-profit, non-governmental organisation focused on improving road safety and emergency medical care across India through high-impact and strategic interventions at the policy as well as grassroots level. For more, please visit [www.savelifefoundation.org](http://www.savelifefoundation.org)

In the recent past, SLF has secured protection for Good Samaritans, who help injured persons, from ensuing legal and procedural hassles; convinced Government of India to draft a comprehensive road safety law for India; ensured ban on trucks from carrying protruding rods; trained over 6000 Police personnel to rescue and revive injured persons on the road; and got two Private Member Bills introduced in the Parliament.

SLF's path breaking work has been recognised both nationally as well as internationally. SLF has been recognised as the best NGO in India by Rockefeller Foundation; won the prestigious Prince Michael International Road Safety Award; and got featured by Satyamev Jayate TV Show hosted by actor Aamir Khan.

SLF's success hinges on its highly dynamic team, which we are now expanding to scale our impact. We are looking for a full-time **Junior Researcher** with

- **Skills and Talent** in drafting legislations and all policy documents and conducting in-depth research;
- **Interest** to provide support to policy advocacy team on all execution related activities
- **Passion** to engage with a wide variety of stakeholders and invest at least 3 years to its mission

### ROLE

- Gather & analyze critical data on road accidents; Conduct policy research on state/national/international policies and laws on road safety
- Identify issues with pre-existing regulations and provisions + formulate sound legislative policies/provisions on the RTSB & GSL, respectively.
- Lay the ground research work on subject matter for engaging with Parliamentarians
- Synthesize research findings into compelling reports, fact sheets, papers and articles for the consumption of SLF's international stakeholders, policy makers, media and international agencies and public among others
- Keep abreast with the latest research, policy/legal related news on road safety and emergency care
- Invoke and utilize the mechanism under the RTI Act to gather crucial data on road accidents, road safety and emergency medical response

- Facilitate engagement with parliamentarians, senior bureaucracy and other key influencers
- Invoke knowledge of parliamentary proceedings to leverage advocacy efforts
- Assist the Policy and Advocacy team in day to day project coordination
- Provide support in handling documentation and communication for workshops, conferences and events required for advocacy. Manage other project administration related activities as and when required.
- Support Media and Digital Manager on a regular basis by supplying interesting facts and figures on road safety that will be widely disseminated across all platforms.
- Keep abreast with the latest research, policy/legal related news on road safety and emergency care
- Undertake any other duties as assigned

### **Desired Qualifications**

- Graduate/Post-Graduate degree in law is desirable
- Experience of working with Members of Parliament or Legislative Assembly
- Prior experience in non-profits is preferred
- Minimum one year experience is required
- Excellent written communications skills
- Excellent MS office skills

**Compensation:** Commensurate with experience and qualifications. Additionally medical insurance and other benefits as per organization policy.

**Location:** New Delhi with travel across India.
