

**Manager- Community Organising**  
**New Delhi, India**

### **ABOUT SVELIFE FOUNDATION**

- We are an independent, non-profit organization committed to improving road safety and access to emergency medical care across India and the developing world. Our team members are highly motivated individuals with fire in their belly and passion for their work. We are a team connected with the spirit of public service.
- Globally, 1.35 million people are killed each year in road crashes. 90% of these fatalities occur in the developing world with India leading the global death toll with 150,000 deaths each year. We are committed to saving lives on Indian roads and to do so, we connect research, advocacy, communication and on ground execution (RACE). Over the past few years, we have facilitated the enactment of key legislations in India such as the Motor Vehicles Amendment Act, 2019 and Good Samaritan Law, adopted one of India's deadliest highways to transform it into a zero-fatality corridor, trained thousands of Police officers and volunteers in life-saving techniques and built award-winning technology to connect and assist stakeholders including bereaved families from extremely poor backgrounds.
- Our path-breaking work has been recognised both nationally as well as internationally. SLF has been recognised as the best NGO in India by Rockefeller Foundation; we have also won the prestigious Prince Michael International Road Safety Award, and we got featured by Satyamev Jayate TV Show hosted by actor Aamir Khan.

### **JOB DESCRIPTION**

As the Manager-Community organising at SLF, you spend a lot of time interacting with people. You pay attention to details. You understand what motivates people to come together and take initiatives. You are good at building rapport and establishing a connect with people of all age groups and sections of society. You communicate clearly and speak eloquently.

### **DUTIES AND RESPONSIBILITIES**

- Outreach and engagement with road crash victims or their families.
- Mobilising people to create a community of affected families and individuals
- Lead the development of such a community as well as explore opportunities to widen the engagement. Create simple tech-based frameworks to ensure regular coordination and communication within the community to provide them requisite support.
- Conduct site visits for high casualty crashes and initiate outreach with impacted families.
- Create systems and protocols through proper debriefs and evaluation and ensure that the lessons learnt from each visit are applied in the next through best practices, templates etc
- Maintain and utilize a working knowledge of significant developments, trends, and best practices in the field of public engagement / organizing.
- Carry out any other duties and responsibilities as maybe assigned.

### **BASIC QUALIFICATION**

- Strong experience and knowledge of community mobilization, grassroots organizing and working with grassroot partners, coalitions and individuals.
- Minimum 5 years' work experience with Indian or International NGOs and understanding of people's movements.
- Trained Psychologist with experience of working with trauma victims (preferable, not mandatory)
- Ability to work and deal with people from diverse backgrounds and communities
- Ability to connect with different cultural and situational realities.

- Must be open to travelling at the national, regional and local levels at short notice.
- Excellent communicator with good persuasion skills.

**Compensation:** Commensurate with knowledge and prior experience. Additionally, medical insurance and other benefits as per organization policy.
